Re: AOP 2015 Approval

The Guyana Forestry Commission (GFC) acknowledges receipt of your revised Annual Operation Plan 2015 for

The GFC has noted that the AOP and AOP map have been amended to correct the discrepancies highlighted in letter dated January 27 2015. Therefore, the plan is in keeping with the GFC's minimum requirements for sustainable forest management and thus has been **approved**.

Please note that GPS points/tracts of **all existing roads** must be submitted to the GFC by the first quarter of 2015.

The GFC looks forward to working with your Company as we strengthen our efforts in sustainable forest management.

Yours sincerely,
GUYANA FORESTRY COMMISSION
